On the weekend of August 10th & 11th as part of the announcements for St. Mary's upcoming Bazaar, plans were laid out for the possibility and eventuality of building a new church. For some it may have come as a shock: a new church! For most of St. Mary's parishioners it was finally an affirmation of what has been speculated for quite a while.

The real estate boom which we have been experiencing has prompted and fueled the discussion of how to address a much different future for our area. The rural nature of Grimes County is changing quickly and drastically. Our neighbor, Montgomery County, has already undergone a transformation that is driving the influx of new neighborhoods in our area. We have realized that we must be prepared for opening our doors to welcome and accommodate all who come to worship and be part of our Faith Community. God's guiding hand is evident in our purchasing the 47 acres adjacent to the 10+ acres purchased in 1894 by Fr. Klein. We are indebted to the Klein family for making it possible.

When I first arrived 25 years ago, I made it a priority to develop a Master Plan for both communities: St. Mary and St. Joseph. Without a Master Plan, development becomes helter-skelter and results in a mess of a complex, without order or purpose. The Master Plan for the future development of St. Mary was revealed at all Masses that August weekend, with the site of a new church highlighted. Great care has been in developing the Master Plan to orchestrate the new church to compliment the present church of 1917 which is so dear to us all. Provision has also been made for what I call a 'venue', a hall-like facility which would accommodate activities of a larger congregation and also be available for weddings and other formal gatherings. Of course, our emphasis for the near future is definitely the church itself.

As in all I have done since my time here, we have been in conversation with the Archdiocese and the different offices involved in undertaking any building project. There is a detailed process involved, beginning to end, which we are committed to following. Even our presentation of the project to the congregation had to have the approval of the Archdiocese. They, too, are aware of our growth and the necessity to be proactive in embracing the future for our continued witnessing to our Catholic Faith in this area of our Archdiocesan and the Universal Church. We have also seen how surrounding parishes have also had to build new churches to accommodate larger congregations due to growth. There is also the added factor of the shortage of priests. I don't need to tell you how blessed we are to have Fr. Lockey as our rent-a-priest. I can't by-locate no matter how hard I try. Even though I could and have celebrated 4 Masses on a Sunday, I can tell you it really is exhausting. The new guidelines call for churches to hold 1200-1500 persons. The duplication of Masses can that way be avoided and lighten the load for the priest. We will take every precaution to keep the warmth and family atmosphere we are so blessed to have now.

The Master Plan, the Building Process and an idea of a new church at St. Mary is on display in the parish hall. Take a look if you haven't already done so. The rendering of a new church building is only an idea to reinforce that any new church would have to compliment our present church of 1917. It's only one concept by one architect. We'll be giving several architects the opportunity to design a new place of worship to continue celebrating the Faith handed down to us since 1894.

How long will this take? Good question!

As I laid out, there is an Archdiocesan process to follow. Of course, money is very much a part of that process. The Archdiocese has to be convinced that a parish is financially stable and capable of undertaking a building project. I am proud to report that through the years, thanks to your generosity and the guidance of our Parish Administrators and Finance Council, we are financially very stable and have been wise in stewardship. The Archdiocese is open and encouraging to our pursuing the building of a new sanctuary of worship. This process will require all of us pulling together and sharing our ideas, talents, time and resources to make it happen in a timely manner. Let's face it: my clock is ticking! Actually, this may be additional adrenalin that spurs us on to pray and work harder. Making money to be making money to be put in a bank can be boring. But to work hard to make a new church a reality to last for generations is an exciting challenge.

Need-to-say, we still have a wonderful and beautiful facility to maintain in the here and now. Your generosity each weekend is still essential and what has made the miracle of St. Mary talked about all over the Archdiocese. We will soon have an open house so you can see what your stewardship has made possible in the updating of our Family Life Center. It'll knock your socks off. Again, I think we were wise to ditch the proposed addition to the FLC in favor of an updating. The cost had gotten out of hand and, frankly, couldn't be justified. The updated facility will continue to enable us to gather to pass on the Faith to our children and youth and be a meeting place for various organizations and activities.

This all leads to impress on us why St. Mary's Bazaar on this Sunday of the Labor Day weekend is so important. Now we have a definite goal in view: a new church to make possible the survival of our community of Faith for future generations. If we are going to survive and be a viable and active community, we have to demonstrate that we face the future committed, courageous, united and willing to work hard. I can personally testify that we've done that throughout my 25 years here. I can testify to the Archbishop himself that we're still that remarkable community of Faith that accomplished what we've done and more than capable and willing to take on and accomplish what needs to be done for the future.

With all this said.....

Let's make this the best Bazaar ever!!

I firmly believe God has opened this door for us.
We're not afraid to walk through, sleeves rolled up for hard work.

Welcome

Meara O'Neill
Music Ministry Coordinator

Meara joined our staff in July to fill the "Director of Music Ministry" position. She is young, vibrant, and extremely talented. She has been a Cantor at St. Mary's for some time, has a beautiful voice, and is talented on the piano. Talent runs deep in her family as they are a big part of our choir. Fr. Ed has repeatedly mentioned he is excited and looks forward to training and working with her. Please congratulate her when you see her.

### St. Vincent de Paul Society:

Everyone of us has felt the effects of inflation on our budgets. It has affected our "friends" even more, some having to make decisions to pay for their medication or pay a utility bill, skip a month's rent or skip car payments just trying to keep afloat. With limited resources available in Grimes and Montgomery Counties, these friends depend on organizations such as SVdP to assist them in making it through the month before having utilities shut off or receiving an eviction notice or having a vehicle repossessed. Not only do they need your financial support, they need your prayers as well. We also need your help. Please consider becoming a Vincentian and join us as we serve our brothers and sisters in Christ. **"When you did it to the least of my brothers, you did to Me."** For more information call Bob Daves

# Rummage News

Thank you for all of your wonderful donations thus far. We will be open all Wednesdays and carts will be under the pavilion through the end of September. Rummage Barn will be closed the week before and after the bazaar so that we can help make our bazaar a huge success.

Our barn is rapidly filling up as we prepare for the big Rummage Sale on Saturday, November 2, 2024.

## All parishioners are asked to help us in three ways:

1. Saturday, Oct 26 Big Push 8 am-noon - move the entire barn contents to the parish grounds. We work fast but need lots of help.
2. Help us display items from Oct 28 to Nov 1. We hang clothes, arrange items to sell, and prepare for the big sale day.
3. Volunteer to work a cash register or the parking lot on Nov 2. This only works because of the generosity of our parish family. Please mark your calendars and plan to help us again this year.

If you need a pickup or would like to volunteer to work on Wednesdays, please contact Lauren Twining at 281-813-5355

## **St. Mary's Cemetery Association**

For the most part, the cemetery survived two major storms. Two sections of the fence were taken out when a tree fell on them during the last storm. We had typical branches and limbs down, but a little clean up will take care of that. Our biggest issue was the considerable damage to Fr. Kelley house from a tree falling on it. Our cemetery office is in the Kelley House and we have temporarily moved into the Saint Vincent de Paul Office to conduct our business. Should you have any questions or consider purchasing a plot or niche, please call Rita Swonke or me.

## JOIN THE STITCHIN' SISTERS

Are you interested in bringing back a lost art?

Are you interested in having a good time with a great group of ladies?

Think about joining the Stitchin' Sisters. Hand quilting seems to be a lost art that we are trying to keep alive. We are a group of ladies that hand quilt three donation quilts a year. One for the Plantersville Fire Department Auction, one for St. Joseph's Bazaar Auction and one for St. Mary's Bazaar Auction.

If time permits between those quilts, we will quilt member's quilt for a nominal fee. If you do not know how to quilt, we will do our best to help you out. We all have opinions! We can show you how to put up a quilt on a frame, how to mark it, how to quilt it, and how to finish it.

**We meet every Wednesday from 9:30 to 2:00 at the St. Joseph Hall. Bring your own lunch.**

**WE HOPE TO SEE YOU THERE!**

**For more info, Juli Murphy: at 936-206-0677 or email julimurphy1988@gmail.com.**
